

THE STATE OF NEW HAMPSHIRE

SUPREME COURT

In Case No. 2016-0130, David A. Hodges, Jr. & a. v. Alan Johnson & a., the court on January 22, 2018, issued the following order:

Supreme Court Rule 22(2) provides that parties filing a motion for rehearing or reconsideration shall state with particularity the points of law or fact that they claim the court has overlooked or misapprehended.

We have reviewed the claims made in the defendants' motion for reconsideration or rehearing and conclude that no points of law or fact were overlooked or misapprehended in our decision. Accordingly, upon reconsideration, we affirm our December 12, 2017 decision and deny the relief requested in the motion.

Relief requested in motion for reconsideration denied.

Dalianis, C.J., and Lynn, J., concurred; Bassett, J., would grant the defendants' motion for the reasons stated in his dissent and as further articulated by the defendants in their motion to reconsider and their reply to the plaintiffs' objection thereto.
